Summary

A versatile coder with experience in Python, Java, HTML/CSS, and C++. Led multiple projects, including building an independent news website and founding a tech repair business. Strong leadership skills and a passion for using technology to create impactful solutions. Proven ability to drive projects to completion and collaborate effectively with teams.

Experience

Founder

UC Merced Repair

Jan 2021 - Present (2 years 3 months)

Started and managed a successful tech repair business while studying at UC Merced, gaining hands-on experience in troubleshooting, repairs, entrepreneurship, and leadership.

Founder

Impartial

Oct 2019 - Sep 2020 (1 year)

Founded and ran an independent news website during high school, utilizing coding skills to build the website, monetize through advertising, and reach thousands of readers.

Camera Operator

Palo Alto High School

Aug 2019 - Feb 2020 (7 months)

Operated cameras and set up systems for football and basketball teams while in high school. Developed technical skills, attention to detail and quick thinking, and gained a unique perspective on sports dynamics.

Education

University of California, Merced
